

# Step back in time for an experience of historical proportions...

Waddell & Reed invites you to tour the *Honoring Our History* World War I traveling gallery, a year-long national tour honoring the men and women who served in World War I.

Developed in partnership with the National World War I Museum, and in celebration of Waddell & Reed's 75th anniversary, *Honoring Our History* commemorates the Great War from within a customized "big rig" truck. This extraordinary traveling gallery features myriad artifacts including weapons, tools, equipment and uniforms; a walk-through trench simulating the war environment; videos and audio tracks; news headlines and historical descriptors.
